

**ANNEXURE A TO  
TENDER NO. 23.27.0000.167.44.4112316.21.22  
DATED 19 JULY 2021**

**DETAILS OF THE MACHINE**

Sl. No	Specification	A/U	Qty
(a)	(b)	(c)	(d)
	<b>Universal CNC Tools &amp; Cutters Grinding/Sharpening/Manufacturing Machine</b> with all standard and additional accessories as per specification below :	No	01
	<b>Brand &amp; Model</b> : To be mentioned		
1.	<b>Specification :</b>		
	a. Work piece Length	mm	Minimum 300
	b. Work piece Diameter	mm	Minimum 150
	c. Materials of Cutters	--	HSS, Carbide, Ceramic etc
	d. Grinding Wheel Speed	rpm	Minimum 10,000
	e. Grinding Wheel Diameter	--	To be mentioned
	f. Number of Grinding Spindles	--	To be mentioned
	g. Number of Control Axis	--	Minimum 06 (six)
	h. Control axis	--	X, Y, Z, A, 4th & 5th Axis
	j. <b>Accuracy :</b>		
	(1) Linear Axis	mm	Minimum 0.001
	(2) Rotational Axis	degree	Minimum 0.001
	k. Probe System	--	Electronic tool measuring probe to be supplied along with the machine
	l. Probe System Accuracy	mm	Minimum 0.001
	m. Control System	--	SIEMENS / FANUC / Equivalent
	n. Power supply	--	380-400V, 3ph, 50 Hz (Power supply of BOF is not uninterrupted)
2.	<b>Country of manufacture of Main/major components</b>	:	Group A ( <b>Spindle Motor, Servo Motor, Servo Control Unit, Lead Screw, Control circuit and fabrication</b> )
3.	Country of Origin	:	Group A
4.	Country of Manufacture	:	Group A
5.	Country of Assemble	:	Group A
6.	Country of Shipment		Group A
7.	<b>Conditions :</b>		
	a. <b>Operational Requirement</b> : Manufacturing/Grinding/Sharpening different types of HSS, Carbide, Ceramic and other hard Tools and cutters. The cutters/tools are Cylindrical Form Tools, End Mill Cutter, Ball Mill Cutter, Twist Drill, Reamer, Flute ISO Porting Tools etc.		
	b. All standard, additional, optional and special accessories/items/attachment must be supplied along with the machine to perform the above mentioned job. The list of the same must be submitted with the quotation. The price of all standard, additional, optional and special items must be quoted separately.		
	c. The machine must be capable of automatic gauging, calibration and offsetting.		
	d. The machine must have automatic clamping of rotationally symmetrical tools/cutters and indexable inserts.		
	e. List of spare parts with price required for <b>05 (Five)</b> years operation to be submitted with the financial offer.		
	f. <b>Pre-Shipment Inspection (PSI) :</b>		
	i. PSI of the machine will be carried out by <b>02 (Two)</b> BOF personnel for <b>04 (Four)</b> working days excluding journey periods. All cost of the PSI to		

RESTRICTED

	be borne by BOF except internal transportation cost which is to be borne by the supplier. ii. Supplier must submit detail plan of PSI (Modus Operandi). iii. Supplier must also mention PSI cost to be borne by them at their end.														
g.	<b>Foreign Training : 03 (Three)</b> BOF personnel for <b>05 (five)</b> working days at the machine manufacturer site. Air ticket, food & accommodation cost to be borne by BOF. Others cost like Tuition fee for training, all internal travel & medical (if needed) costs to be borne by supplier. Supplier must submit foreign training plan along with the offer.														
h.	Machine installation, commissioning & trial run must be done by the supplier within 30 days from the date of arrival of the machines at BOF. Operation, Repair & Maintenance training ( <b>Local Training</b> ) of BOF personnel for at least <b>15 (Fifteen)</b> working days. Supplier must submit local training plan along with the offer. <b>Following information must be given as under :</b>														
	<table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="text-align: center;">Ser</th> <th style="text-align: center;">Training</th> <th style="text-align: center;">Details</th> <th style="text-align: center;">Supplier's Opinion</th> </tr> </thead> <tbody> <tr> <td style="text-align: center;">(1)</td> <td style="text-align: center;">Local Training</td> <td>                             Trainer Type (Local/Foreign)                              Number of Trainer  <b>Training Schedule :</b>                              a. (2)	Supplier must submit local training plan along with the offer.														
j.	1 x User/ programming manual in English (Hard & Soft copy) must be supplied with the machine.														
k.	1 x Operation, 1 x Maintenance and Repair manual (Hard & Soft copy) with parts catalogue and circuit diagram of electrical devices in English to be supplied with the machine. These books must contain the following topics/items: (1) <b>Operation Manual</b> : Hydraulic, Pneumatic, Electrical, Electronic and Mechanical operational circuit and component diagrams with their detail working principles & description. Simulation/Animation of major items working/operation to be included in the softcopy. (2) <b>Maintenance and Repair Manual</b> : Detail troubleshooting & repair procedure as well as maintenance and safety system.														
l.	All necessary software required for full-operational requirement of the machine must be supplied with the machine.														
m.	<b>If any component/part of the machine is from the country other than the machine manufacturing country, then the name of the country must be mentioned with the name of the parts/component/part.</b>														
n.	The year of manufacture of the machine must be the current (contracted year) year.														

RESTRICTED

Sl. No	Specification	A/U	Qty
(a)	(b)	(c)	(d)
	p. Automatic Chip conveyer/ sludge removing system with all accessories must be provided with the machine.		
	q. Standard cooling, lighting, lubricating & control system (Software & Hardware) must be provided with the machine.		
	r. The machine must have the capability of re-starting the ongoing operation/machining process from the point where it was stopped due to power failure.		
	s. The supplier must mention whether they have the facilities of providing distance/on line trouble-shooting facilities for the supplied machines or not and if available then the supplier must quote the additional items (if needed) with their prices for this facilities.		
	t. The supplier should provide <b>Technical Data Sheet</b> of each major parts/components with the machine		
	u. Warranty for <b>01(One)</b> year after acceptance must be provided by the manufacturer.		
	v. Bidder should submit original Leaflet/ Brochure with the offer.		
	w. The supplier should give Service support for ten years after acceptance of the machines.		

**Terms & Conditions**

Supplier must mention their compliance on the following mentioned points :

1. A principal/manufacturer can submit **only one offer through one local agent** for any individual item. Offers through multiple local agents by same principle/manufacturer will be **treated as rejected**.
2. To ensure unhindered LC handling the principal must provide a certificate to confirm that their LC operating bank has RMA (Relationship Management Agreement) with the local Banks of Bangladesh.
3. Supplier must **clearly mention** (in the technical offer) that as principal/manufacturer they poses necessary **export permit** from the concern ministry or any other authority of their country. They must also submit a certificate in this regards as per the attached specimen format at Annex F.
4. Before signing the contract, Performance Guarantee @ 10% of total LC value is to be submitted by the Principal in favour of Commandant, Bangladesh Ordnance Factories, Gazipur Cantonment, Gazipur through any scheduled Bank located in Bangladesh (As per the format at Annex D).
5. A separate **certificate should be provided** by the principal **originally signed** (Computerized or digitally edited signature will not be accepted) stating that they are aware of the requirement of the PG and if the contract is awarded they will be bound to provide the PG as per the format at Annex E, otherwise administrative action will be taken against the principal and local agent
6. The stores should be supplied to BOF at **supplier's cost**.
7. On arrival of the stores at BOF, the supplier must complete installation, commissioning, trial run & trial production within 01(one) month (from the date of entry at BOF). Otherwise, penalty will be imposed at the rate of 2% but not less than 1% and will not exceed 10% of the total CFR/LC vale (As applicable).
8. If the supplier fails to deliver the stores within the stipulated period, the followings will be applicable:
  - a. Cancel the contract and/or
  - b. Decision at the discretion of BOF.
9. Inspectorate is the authority in all matters pertaining to Inspection. Any verdict by the inspectors regarding rejection, acceptance, and/or deviation of machine involving price reduction will be treated as final and will not be subject to arbitration.
10. The Supplier must submit the following **attested documents** with the schedule :
  - a. **Trade License**
  - b. **Tin Certificate**
  - c. **Up to date VAT Registration certificate.**
